THE DALA HORSE

Private guided tour + paint your own Dala horse

THE MOST FAMOUS HORSE OF ALL

Sweden's most famous symbol, the Dala horse, originates from Dalarna, and Dalarna's museum likely has the world's largest collection of these horses. So, how did it happen? - That the small red wooden horse from Mora came to be the symbol of all of Sweden? In this guided tour, we will guide you through selected exhibitions, feel the wings of history, and hear the exciting story of the carved horses from the deep forests of Dalarna. With your newfound knowledge of this fascinating craft, you will then get a horse each, to paint and decorate as you wish. Be inspired by the original or create your very own design. Of course, you get to take your horse home with you!

INCLUDED IN THE PRIVATE TOUR

The tour is 1.5 hours and divided 50/50, guided tour/ painting your Dala horse. When you finish decorating your horse, it is, of course, yours to take home. You won't find a better memory from your trip to Sweden! Entrance fee to the museum is included.

GOOD TO KNOW

The activity is suitable for everyone. Kids must be accompanied by an adult. The horses to be decorated are approximately 10cm tall and come pre-painted red. The museum provides an inspiring video, brushes, and paint on-site for your creativity.
